Write a complication for a narrative.

The Lost Key

A long time ago, in fact 100 years ago, the evil shadow lord took over the town of Califia. Everyone fled, leaving the town deserted. At that time, the king and queen were looking after their daughter. Soon, even the King and Queen had deserted the town after leaving their daughter locked away at the age of 7. She only ever touched her bed, the cuboard full of food and the table in the middle of the room. One day when she was 10 she woke up lying on the floor. As she rolled over
to try and get up she felt a handle under her bed. She pulled at it until she heard it go 'click'. She crawled under the bed and put her hand in the hole and pulled out a picture of her when she was 7. But there was something else in there, she could feel it. She reached in again, this time she pulled out a key. The key was bronze and had a crown engraved on it. First she tried the door that lead out of the tower, it didn't work. "Something's not right" she whispered to herself. She turned around and she saw something amazing...
